Womb Blessing Training Workshop

With *Miranda Gray* international author
of *RED MOON, THE OPTIMIZED WOMAN*
and *SPIRITUAL MESSAGES FOR WOMEN*

In a world that is more and more stressful, many women have lost connection to the sacredness of being female. When we connect to our femininity we feel loving, confident, strong, sexual, spiritual, creative and beautiful. We feel free from the guilt of the past, of not being 'good enough' and free from the restrictions of a patriarchal world.

In February 2012 Miranda answered the heartfelt cry for connection and created the **Worldwide Womb Blessing**, by August 2013 **over 53,000 women** from 80 different countries had taken part.

Saturday 1st to Sunday 2nd of March 2014 from 10.00 am to 5.00 pm
Workshop early bird price of £180.00 if received before 30/11/13, £200.00 thereafter

To become a '**Moon Mother**' is to learn to work with the blessing energy directly and give a 'hands on' version of the Womb Blessing and Womb Healing.

'**Moon Mothers**' are women who have taken the 'Moon Mother' initiation personally from Miranda Gray at a Womb Blessing Training Workshop. This raises them to the high vibrational level required for them to give the transformative Womb Blessing and Womb Healing Attunement in person. The energy works to heal the three main female energy centres; the brow, the heart and the womb and the four female archetypes; the maiden, the mother, the maga and the crone. Think of the 'Moon Mother initiation' as a Priestess or Master initiation.

'**Moon Mothers**' are healers, combining the Womb Blessing and Womb Healing with other therapies. They are priestesses and celebrants, helping girls and women through their rites of passage, and they are companions in women's lives and on their spiritual paths. They can take an active role in spreading the Womb Blessing energy and take part in the worldwide events.

The Womb Blessing is deeply transformational and available to all women
