This formulation has been uniquely crafted to dispel emotional negativity and support in the manifestation of change. It offers a soothing protective space around you to aid the elimination of fear, uncertainty, self doubt and anxiety. A greater sense of self and an improved focus on future visions and plans may be experienced with continued use of the Transition Essence blend.

There is a renewed commitment to move forward on one's path, whilst releasing old outmoded patterns and shedding limiting belief systems. Enhanced emotional stability can be felt using this formula, enabling one to move forward despite external objections, obstacles or negative influences being projected towards you.

A brighter outlook and a sense of reassurance may be felt which in turn supports the heart chakra to remain open to joy and happiness. The grounding aspect, of this essence, encourages states of higher consciousness by bringing us back into our body and into our essential selves, gifting us new insight in to ways of being.

Transition Essence offers a sensitive balm to aid and ease the passage of growth. A loving, nurturing sensation which stabilizes and calms, whilst strengthening one to create the change they wish to see in life.
