(Suggested minimum donation, please arrive by 5.30pm to start at 6.00pm)

Come and join ‘Moon Mother’ Clare Warren at this full moon group meditation. You will be part of a worldwide meditation of women. The last blessing in May had nearly 48,000 women, in more than 80 countries, who accepted the gift of the Womb Blessing. Clare is one of a handful of women in the UK, trained by Miranda Gray, to be able to give Womb Blessings and Womb Healings. She was also the first Moon Mother in Bristol.

We are in a time of awakening and many women are choosing to let go of old ways, release past hurts and move beyond limiting patterns. Experiencing the Blessing energy helps to shift old paradigms and clear stored negativity held at a cellular level. This work is profoundly healing for women on multiple levels and helps to align to the Sacred feminine.

Please email [clare@clarityvibration.com](mailto:clare@clarityvibration.com) or call 07596 409354 to confirm your space in this special healing circle.

You will need to bring 2 small bowls, a blanket and cushion for your comfort. Teas will be provided but please bring some snacks and nibbles to share, so as to ground and connect afterwards. Each woman will have the chance to experience a mini womb healing session during the meditation. I will gently come to each woman in turn to connect and offer a direct experience of the womb blessing healing. Miranda has added an extra mediation of abundance, which we will share in after the Blessing meditation.

If you wish to book a one hour Womb Blessing and Healing with me leading up to, or after the meditation, then I will be offering a special price for this event of £25 for all sessions booked before August 31<sup>st</sup> 2013.
